

### *Our Family Christmas Party*

Last month we celebrated our 2019 blessings with a company Christmas party at the City of Morganton Municipal Auditorium (CoMMA). What a lovely facility to host our event! Our team, along with their family members, enjoyed a delicious meal catered by Countryside BBQ, a year in review slide show featuring our 2019 masterpieces, games, prizes and great fellowship. Our featured fun was based on America's hottest gameshow, Family Feud. AppNat's Christmas Feud starring Team Carl vs Team Terrel was such a blast. Team Terrel took home the win by a narrow margin and fun was had by all! We are grateful for our clients who contributed to our successful 2019. We hope to serve you well in 2020 and thank you for your business! Happy New Year!
