JUAN LOZANO

Juan joined our installation team back in the fall of 2016. We are excited to have Juan as a part of our family. He is quickly proving to be a valuable asset to our team. Originally from Mexico, he loves to play soccer after a hard days work. Juan also is the proud father of two children - one boy and one girl. We welcome Juan to AppNat Inc!

AppNat is looking to grow our company with an experienced landscape member who is bright, energetic and a detail oriented team player. Strong work ethic and taking ownership of their work is a must. We generally work in the beautiful Burke County area and around Lake James, but have traveled out of town to Charlotte, Boone, Asheville, and Wilkesboro. This position involves being flexible in performing a variety of tasks and duties each day; ranging from turf maintenance along roadways, to installing plant materials, basic irrigation work, mulching, pruning, fall aerating, and snow removal. Effective communication skills and delegation are essential. We will provide on the job training. Must have or be able to earn a NC Pesticide License.
